Miracles, Legacy & Milestones

ONE STEP CLOSER TO UNITY

We provide tools for children to better themselves, for individuals to find understanding, and for companies to add depth, context, and solutions to all levels of their organization.

1 Education & Empowerment

Mrs. Parks believed deeply in civic responsibility. Her work included active participation in the community, with a focus on the common good. Our multi-tiered education and empowerment programs uphold values that include justice, freedom, equality, diversity beyond color, human rights, tolerance, and self respect.

3 Healing Through Music & Storytelling

These programs promote understanding and unity through the arts. From gender and politics to religion and race — the world is more divided today than it has ever been. We believe music has the power to unite us — it can teach, it can heal, and it can change hearts.

Did You Know?

O Museum was designated as a 20th Century Civil Rights site on The African American Heritage Trail.

5 Art & Literature Programs

Art and literature are critical components to building empathy and driving change. These programs help bridge the divide using art and literature to promote conversation about our shared experiences and important social, political, historical, and environmental topics.

2 Artist-In-Residence & Heroes Program

The O Museum provides a haven for the heart and soul (at no cost) for soldiers, service people, first responders and all those who are giving of themselves to serve others. Mrs. Parks stayed with us on and off from 1994 to 2003 as part of our Heroes Program.

Every year for the past 45 years we have provided (on average) over 1,000 free room nights a year. When you stay at The Mansion you are supporting these important programs.

4 51 Steps To Freedom Trail

51 Steps started as an O Museum program and has their office here, at no cost. It is the 1st trail of it's kind uniting DC — from Anacostia to Georgetown — and back again. It combines history, storytelling, digital and traditional art, music — and cutting edge technology — to inspire, educate, and tell the stories of the hidden figures and places in DC that continue to shape America's journey for freedom and equality.

Did You Know?

Mrs. Rosa Parks, her staff, and friends stayed with us on and off from 1994 to 2003 as part of our heroes program.

Since 1980, nearly \$4M has gone to support this program.
